

Underground Cabling Projects

Up to 400kV

EHV Cabling 132kV and above

- Ongoing : 19 Projects
- Completed : 128 Projects
- Total Route Length : 250 kms. & counting.
Executed
- Total Cable Length : 1500 kms. & counting.
Executed
- HVDC Cabling.

MV/ LV Cabling below 132kV

- Ongoing - 02 Projects
- Completed – 52 Projects

Glimpse of Ongoing Underground Cabling Projects in Dubai

J-610 Client : DEWA
(7.40 Kms RL ,Cable Length – 44.40 Kms)

Project Description: Supply, Installation, Testing & Commissioning Of 132kv Cable Works For VALLEY 132kv Cable Circuit And Associated Modification Work(Section – E).

J-609 Client: DEWA
(9.10 Kms RL & Cable Length – 54.60 Kms)

Project Description: Supply, Installation, Testing & Commissioning Of 132kv Cable Works For SRAYATST 132kv Cable Circuit And Associated Modification Works (Section – D).

J-608 Client: DEWA
(8.50 Kms RL & Cable Length – 51 Kms)

Project Description: Supply, Installation, Testing & Commissioning Of 132kv Cable Works For SENAAT 132kv Cable Circuit And Associated Modification Works (Section – C).

Glimpse of Ongoing Underground Cabling Projects in Dubai

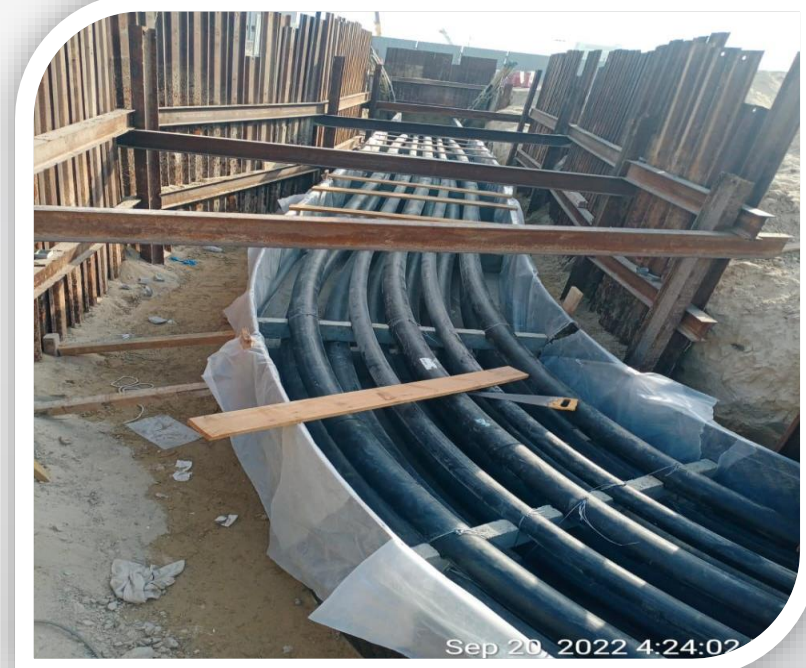

J-607 Client: DEWA
(1.45 Kms RL Cable Length – 8.70 Kms)

Project Description: Supply, Installation, Testing & Commissioning Of 132kv Cable Works For New Citywalk-khazan 132kv Cable Circuit And Associated Modification Works (Section –B).

J-584 Client : NOOR ENERGY
(69 Kms RL)

Project Description : Noor Energy 1-700MW CSP Project - 400kV Cable Works

J-617, Client : WADE ADAMS

Project Description: R1013/2A - IMPROVEMENT OF SHINDAGHA CORRIDOR - 132KV WORKS.

Glimpse of Completed Underground Cabling Projects in Dubai

J-567, Client : DEWA (58 Kms RL)

Project Description: Supply, Installation, Testing & Commissioning of 132kV Cable laying works for QUASIS, FRSTKWNJ, ESKNAWIR, IBNBATML, NADSHBRD, PRFRMVLG, WRSNACMD, QUSSINDS & RSHDPORT 132/11kV Substations and Associated Works

J-561, Client : DEWA (12.10 Kms RL)

Project Description: Supply, Installation, Testing & Commissioning of 132KV Cable laying works for TOWNHOME, DXBHILS, FUNLAND, SAQREMRT, SUNDOS & SEIFDERA 132/11KV Substations & GRNLMTRO, REDLMTRO & DXBMTRO 132/33KV Substations and Associated works (Section-F).

J-581, Client : DEWA (18.6 Kms RL)

Project Description: SUPPLY, INSTALLATION, TESTING & COMMISSIONING OF 132KV CABLE SHIFTING WORKS TO DXBJANUB(PHASE-II) & DXBSHMAL 400/132KV SUBSTATIONS AND 132KV CABLE WORKS FOR TUNISRD 132/11KV SUBSTATION AND ASSOCIATED MODIFICATION WORKS -Section C.

Glimpse of Completed Underground Cabling Projects in Abu Dhabi & Al Ain

J-268, Client : ADWEA, Abu Dhabi

Main Contractor : BRUGG Cable

Project Description : Reinforcement of 132/220kV grids in Abu Dhabi . 132kV XLPE cable installation.

J-354, Client : EMAL, Abu Dhabi

Main Contractor : Centaur

Project Description : Substation Equipment and Cable Installation works. Installation of 6.6kV Cables, FO cables.

J-135, Client : WED, Al Ain

Main Contractor : KEC

Project Description : Installation, Testing and Commissioning of 33kV cables.
